Hello Dragons and Happy New Year!

As we embark upon a new year, we are looking forward and hoping for even a better and more prosperous 2011 year for everyone.

The Industrial Druid High School Alumni Association has accomplished much since our last reunion and we are striving even harder each and every day to continue to keep the Industrial Druid High School legacy alive and the Dragon flame burning. During the 2010 year and through your efforts and support of the Scholarship Foundation, we were able to award two One Thousand dollars (\$1,000) scholarships to two deserving students. We are currently looking at the possibility of purchasing or leasing a building to serve as a museum to house all Industrial Druid High School memorabilia and we are hoping to implement the Industrial Druid High School Alumni Association Hall of Fame very soon.

The Grand Reunion Committee of the alumni association is currently making plans for the 2011 grand reunion that is scheduled to be held in Tuscaloosa June 30 – July 3, 2011, and we hope that you will make plans to attend the reunion.

As you know only too well, costs have escalated with everything, especially in the areas of goods and services. We are hoping to have a better reunion this year than ever before; therefore, due to inflation, we have to increase the registration cost to \$125.00 per person. You can make installment payments payable to: Industrial Druid High Grand Reunion and mail to: P.O. Box 2334, Tuscaloosa, AL 35403. We regret having to make this increase and have tried to keep the increase as conservative as possible so that the reunion will be affordable for everyone. Due to the advance preparation required in planning for an event of this magnitude, there will be no refund or transfer of money.

Please find on the reverse side of this letter tentative additional information and activities being planned for the reunion and a registration form for completing and returning with your registration fee no later than **April 8, 2011**. This information is also provided on the following websites for your convenience: <http://druidhigh.homestead.com> or <http://druiddragonfamily.ning.com>.

Should you have any questions or need additional information, please feel free to contact me at the above address or e-mail me at: Ashleys1st@bellsouth.net. We always welcome any comments from our fellow Dragons. We hope you will make plans to join us for another memorable reunion and help us to celebrate the ongoing spirit of the Industrial Druid High School Dragons on June 30-July 3, 2011, in Tuscaloosa.
